Dear Mr Minkov,

I am writing to thank you and your team for organizing the Petersburg Theatre Season in Belgrade.

The Yugoslav Drama Theatre has had a full-house performances by four theatres from the Russian cultural capital which have aroused interest among the audience in Serbia and the professional community as well.

St. Petersburg has shown the highest level of dramatic art. St. Petersburg theatres have supported the highest cultural level of the Russian Federation.

We hope that we will continue to organize promotions of Russian art and culture in Serbia and Serbian art and culture in Russia.

Sincerely yours,

SECRETARY
